

# Animal Humane Wish List

The following list of needs was composed by Animal Humane Managers across departments. From the staff that care for our pets seven days a week, to the staff that keep our campus looking beautiful, to the staff that keep our general operations running smoothly – they've compiled the following list of needs on behalf of our pet residents.

## Animal Care Needs

- Airline Pet Carriers (M & L)
- Stainless steel feeding bowls (S & M)
- KMR (Kitten Milk Replacement) Powder
